Hi Priv [redacted],

I hope this message finds you well.

We recently had a winter shelter open up at the Salvation Army on 5941 Hollywood Blvd. Currently hosting 30 beds, 7 nights a week, through March.

The shelter is in dire need of towels for some of the people who have come through their doors.

I am reaching out to see if you or anyone from the Tri-Hospital Homelessness Task Force would be able to assist our office with the donation of gently-used towels for this shelter. They don't need to be brand-new, but anything that has come through your hospital(s), and is usable, would be appreciated.

Please let me know if you can help with this, and if not, who would be the best person to contact.

I appreciate your attention to this matter, and I look forward to seeing you on Wednesday.

Best,
George

Hello George,

It was nice to meet you yesterday. I confirmed with my team at Hollywood Presbyterian Medical Center that we currently rent all linens, so we do not have any gently used towels to donate. The company that we rent from repurposes old linens for use by ambulances and EMT. I will be out of the office today through January 20, but I plan to organize a towel drive when I re Pm. My apologies for not having linens readily available to donate from HPMC.

Thank you for all the great work you do for our community.
